Coronavirus – Covid-19

Last updated: 1st June 2020

On the 5th April The Foreign and Commonwealth Office extended the advice against all non-essential overseas travel for British nationals for an indefinite period.

Our team will be in contact with all groups due to travel until the 30th June.

For those booked to travel from the 1st July we ask that you maintain your booking as we continue to monitor the situation as the travel restriction can be removed at any time. Should you choose to cancel your booking then normal booking conditions will apply.

For groups due to travel in July 2020 we are however happy to discuss the possibility of deferring the trip to an alternative date (this may be subject to price adjustment). Please contact our team via email in the usual way.

We thank you for your patience and understanding in these difficult and unprecedented times,

The Travelbound Team
