Coronavirus – Covid-19

Last updated: 1st July 2020

The Foreign and Commonwealth Office currently advises British nationals against all but essential international travel. This advice is being kept under constant review.

Our team will be in contact with all groups due to travel until the 31st July.

For those booked to travel from the 1st August we ask that you maintain your booking as we continue to monitor the situation as the travel restrictions can be removed at any time. Should you choose to cancel your booking then normal booking conditions will apply.

For groups due to travel in August, September and October 2020 we are however happy to discuss the possibility of deferring the trip to an alternative date (this may be subject to price adjustment). Please contact our team via email in the usual way.

We thank you for your patience and understanding in these difficult and unprecedented times,

The Travelbound Team
