We believe in 3 pillars to ensure the success of our high quality, subject-led tours.

PASSION

Who can forget their first educational trip? That breathless sight of the Sistine Chapel's ceiling or the sense of achievement from shopping in French at a local market? We want to bring that 'first-trip feeling' to every one of our tours. Which is why we organise tours that inspire and motivate students to a lifetime of learning!

PROFESSIONALISM

We're a team of educational travel specialists AND travellers. We love to learn from other cultures and bring that learning into what we do day-to-day in our Brighton-based office.

We have over 30 years of experience in supplying safe, high-quality, competitively-priced tours that support classroom learning. We're here to make it as easy as possible for Group Leaders because we've been there ourselves!

IMMERSIVE EXPERIENCES

At Travelbound, we have the connections to provide your students with a range of outstanding immersive experiences. These contribute to creating a rounded experience for your learners allowing them to see behind the scenes of some of the world's largest companies.
